Other services are contracted through Orange County. Each member of the council represents one of seven districts in Belle Isle. Elections are held annually for a 3-year term cycle and are staggered. Although elected by Districts, voting is at-large. The Mayor, who is considered a non-voting member of Council, is elected- at-large.

By this Request for Qualifications (“RFQ”), the City of Belle Isle (“City”) is seeking proposals from experienced individuals or firms, partnerships, joint ventures, teams, or co-proposers (“Proposer”) to provide lobbying and intergovernmental consultant services that protect and promote the City’s interests before the Florida Legislative Body and other State of Florida governmental bodies. The City desires to enter into a professional services contract with a qualified Proposer who can demonstrate competency and experience in providing lobbying services for municipal governments.

Additional information about the City is available at the City’s website: www.cityofbelleisle.org.

SECTION 2: RFQ RECEIPT AND EVALUATION PROCESS

2.1 Authority

This RFQ is issued under the authority of the City of Belle Isle City Council.

2.2 Receipt of Proposals and Public Inspection

2.2.1 Public Information: During the opening of sealed proposals, only the name of each Proposer shall be announced. No other information will be disclosed nor shall the proposals be considered open record until after the contract award. All information received in response to this RFQ, including copyrighted material, is deemed public information and will be made available for public viewing and copying shortly after the council award with the following four (4) exceptions: (1) bona fide trade secrets meeting confidentiality requirements that have been properly marked, separated, and documented; (2) matters involving individual safety as determined by the City; (3) any company financial information requested by the City to determine vendor responsibility, unless prior written consent has been given by the Proposer; and (4) other constitutional protections.

2.2.2 Single Point of Contact's Review of Proposals: Upon opening the sealed proposals received in response to this RFQ, the Single Point of Contact in charge of the solicitation will review the proposals and separate out any information that meets the referenced exceptions in Section 2.2.1 above, providing the following conditions have been met: • Confidential information is clearly marked and separated from rest of proposal; • Sealed Fee Proposal does not contain confidential material in cost/price section; • An affidavit from a Proposer's legal counsel attesting to and explaining the validity of the trade secret claim is attached to each proposal containing trade secrets. Information separated out under this process will be available for review only by the Single Point of Contact, the Evaluation Committee members, and limited other designees. Proposers must be prepared to pay all legal costs and fees associated with defending a claim for confidentiality in the event of a "right to know" (open records) request from another party.

2.3 Classification and Evaluation of Proposals

2.3.1 Initial Classification of Proposals as Responsive or Nonresponsive: All proposals will initially be classified as either "responsive" or "nonresponsive". Proposals may be found nonresponsive at any time during the evaluation process or negotiations if: any of the required information is not provided; the submitted price is found to be excessive or inadequate as measured by criteria stated in the RFQ; or the proposal is not within the plans and specifications described and required in the RFQ. Proposals found nonresponsive may not be considered further.

2.3.2 Determination of Responsibility: The Single Point of Contact will determine whether a Proposer has met the standards of responsibility. Such a determination may be made at any time during the evaluation process and through negotiation if information surfaces that would

result in a determination of non-responsibility. If a Proposer is found nonresponsible, the determination must be in writing and made a part of the procurement file.

2.3.3 Evaluation of Proposals: An Evaluation Committee designated by the City Manager will evaluate the remaining proposals and recommend the highest-scored Proposer or, if necessary, to seek discussion/negotiation or a “best and final offer” in order to determine the highest-scored Proposer. Responsive proposals will be evaluated based on stated evaluation criteria specified in Section 5. In scoring against stated criteria, the Evaluation Committee may consider such factors as accepted industry standards and a comparative evaluation of all other qualified RFQ responses in terms of differing price, quality, and contractual factors. These scorings will be used to determine the most advantageous offering. Thus, while the points in the evaluation criteria indicate their relative importance, the total scores will not necessarily be determinative of the award. Rather, the total scores will guide the City in making an intelligent award decision based on the City’s requirements and the best value proposal (offer) received.

2.3.4 Completeness of Proposals: Selection and award will be based on the Proposer’s proposal and other items outlined in this RFQ. Information or materials presented by Proposers outside the formal response or subsequent discussion/negotiation or “best and final offer,” if requested, will not be considered, will have no bearing on any award, and may result in the Proposer being disqualified from further consideration.

2.3.5 Opportunity for Discussion/Negotiation and/or Interview: After receipt of all proposals and prior to the determination of the award, the City may initiate discussions with one or more Proposers should clarification or negotiation be necessary. Proposers may also be required to make an oral presentation to clarify their RFQ responses or to further define their offer. In either case, Proposers should be prepared to send qualified personnel to the City of Belle Isle or through a Zoom Video Conference to discuss technical and contractual aspects of their proposals. Interviews, if conducted, shall be at the Proposer’s expense.

2.3.6 Best and Final Offer: The “best and final offer” is an option available to the City under the RFQ process which permits the City of Belle Isle to request a “best and final offer” from one or more Proposers if additional information is required to make a final decision. The decision to seek “best and final offer” is at the sole discretion of the City. Proposers may be contacted asking that they submit their “best and final offer,” which must include any and all discussed and/or negotiated changes.

2.3.7 Committee Recommendation for Award: The Evaluation Committee will provide a written recommendation for award to the Single Point of Contact that contains the scoring and related supporting documentation for its decision. The Single Point of Contact will review the recommendation to ensure its compliance with the RFQ process and criteria before submitting with the Evaluation Committee’s recommendation to the City Council.

2.3.8 Negotiation: Upon direction of the City Council, the designated City Official may begin negotiations with the responsive and responsible Proposer whose proposal achieves the highest scoring and is, therefore, the most advantageous to the City. If negotiation is unsuccessful or the highest-scored Proposer fails to provide necessary documents or information in a timely manner, or fails to negotiate in good faith, the City may terminate negotiations and begin negotiations with the next highest-scored Proposer.

2.3.9 Contract Award: Award, if any, will be made to the highest-scored Proposer who provides all required documents and successfully completes the negotiation process.

2.4 City of Belle Isle Rights Reserved

While the City has every intention to make an award as a result of this RFQ, issuance of the RFQ in no way constitutes a commitment by the City to award and execute a contract. Upon a determination such actions would be in its best interest, the City, in its sole discretion, reserves the right to:

- Cancel or terminate this RFQ at any time. A notice of cancellation will be issued on the City's website. If the RFQ is cancelled, the City will not reimburse any Proposer for the preparation of its proposal. Proposals may be returned upon request if unopened.
- Reject any or all proposals received in response to this RFQ.
- Make a contract award, based directly on the proposals received, determined to be in the best interest of the City, in its sole discretion.
