

**ADDENDUM 3
TO
CITY OF BELLE ISLE
REQUEST FOR PROPOSALS
CURED IN PLACE PIPE (CIPP)
ITB #21-05**

This Addendum is issued on June 11, 2021. The issuance of this Addendum does not change the submission dates.

Question 1: Under Part 1-Products Section 1.2 Part B, the minimum qualifications for the installation contract are outlined. Very few CIPP companies could meet the 1,000,000 l.f. minimum outside of a few large national companies. We respectfully request that the owner wave this requirement or amend it to occur further in the bidding process.

Response: *The City will waive this requirement provided that the bidder attaches similar job references.*
